

# EZA Reports: Performance Distribution

**2018 Math-6 Benchmark Assessment (copy)** - 08/01/2018 - 07/31/2020

Performance Distribution

Northside Middle All Teachers

# of Students: 25 Questions: 56 Overall Score: 60%

Percentage of Students

Raw Score	Pct. Corr.	Cumulative Pct.	# of Students
0	0%	0%	
1	1%	0%	
30	38%	8%	
31	39%	12%	1
32	41%	12%	
33	42%	16%	1

This report provides a visual representation of the distribution of student scores for any assessment. Students are grouped into quintiles.

- A** Select which school and teacher to view.
- B** Aggregate assessment data is provided here.
- C** Percentage of Students: percent of students who fall within each quintile.  
Percent Correct: percent correct on the assessment.  
Hover over bars to view the percentage of students each bar represents.
- D** Raw Score: Total points obtained  
Pct. Corr.: Percent correct  
Cumulative Pct.: Cumulative percentage (Cumulative percentage indicates the percentage of students with scores at or below a certain percent correct).  
# of Students: The number of students with the same raw score, percent correct, and cumulative percentage.
- E** Click on icon to see list of student names.
- F<sup>1-2</sup>** Navigate between different reports (**F<sup>1</sup>**), or return to list of assessments (**F<sup>2</sup>**).
- G** Print the current report.
- H** Return to Home page or Logout.
